

Unit	Topic	Lesson	Lesson Objectives
------	-------	--------	-------------------

Unit 1: Exploration and Colonial America
Chapter 1: Discovery and Settlement in the New World
Introduction
Discovery and Settlement of the New World: The First Americans

Describe the factors that led the Europeans to begin their voyages of discovery.

Explain the changes and conflicts that occurred when the diverse worlds of Europe, Africa, and the Americas collided after 1492.

State the factors that caused the English to start colonization later than other European powers.

Europe and the Impulse for Exploration

Describe the factors that led the Europeans to begin their voyages of discovery.

Explain the changes and conflicts that occurred when the diverse worlds of Europe, Africa, and the Americas collided after 1492.

State the factors that caused the English to start colonization later than other European powers.

Spanish and French Exploration

Describe the factors that led the Europeans to begin their voyages of discovery.

Explain the changes and conflicts that occurred when the diverse worlds of Europe, Africa, and the Americas collided after 1492.

State the factors that caused the English to start colonization later than other European powers.

Assignments

Describe the factors that led the Europeans to begin their voyages of discovery.

Explain the changes and conflicts that occurred when the diverse worlds of Europe, Africa, and the Americas collided after 1492.

State the factors that caused the English to start colonization later than other European powers.

Chapter 2: English Colonies 1600-1650
Introduction
The First English Settlements

Analyze the differences between the northern, middle, and southern colonies.

Describe how the Puritans' beliefs shaped the governmental and religious structure of the Massachusetts Bay Colony.

Explain how conflict with religious dissenters, among other forces, led to the expansion of New England.

The Northern Colonies

Analyze the differences between the northern, middle, and southern colonies.

Describe how the Puritans' beliefs shaped the governmental and religious structure of the Massachusetts Bay Colony.

Explain how conflict with religious dissenters, among other forces, led to the expansion of New England.

The Middle Chesapeake and Southern Colonies

Analyze the differences between the northern, middle, and southern colonies.

Unit	Topic	Lesson	Lesson Objectives
------	-------	--------	-------------------

Assignments

Analyze the differences between the northern, middle, and southern colonies.

Describe how the Puritans' beliefs shaped the governmental and religious structure of the Massachusetts Bay Colony.

Explain how conflict with religious dissenters, among other forces, led to the expansion of New England.

Chapter 3: American Society Takes Shape 1650-1763**Introduction****Colonial Life**

Analyze how the French and Indian War affected Britain's American subjects and helped pave the way for later rebellion.

Describe the basic social life of seventeenth century colonists.

Describe the slave trade and the nature of early slavery in the American colonies.

Explain how the problems of indentured servitude led to political unrest and the growth of African slavery.

Scientific and Religious Transformations

Analyze how the French and Indian War affected Britain's American subjects and helped pave the way for later rebellion.

Describe the basic social life of seventeenth century colonists.

Describe the slave trade and the nature of early slavery in the American colonies.

Explain how the problems of indentured servitude led to political unrest and the growth of African slavery.

The French and Indian War

Analyze how the French and Indian War affected Britain's American subjects and helped pave the way for later rebellion.

Describe the basic social life of seventeenth century colonists.

Describe the slave trade and the nature of early slavery in the American colonies.

Assignments

Analyze how the French and Indian War affected Britain's American subjects and helped pave the way for later rebellion.

Describe the basic social life of seventeenth century colonists.

Describe the slave trade and the nature of early slavery in the American colonies.

Explain how the problems of indentured servitude led to political unrest and the growth of African slavery.

Unit 2: The New Nation Forms**Chapter 4: The Road to Revolution 1763-1765****Introduction****Imperial Reorganization**

Assess the advantages and disadvantages the British and the American rebels faced as the two sides prepared for war.

Explain the principles of 'republicanism,' including the reasons and principles used in the Declaration of Independence to justify America's separation.

Explain why Britain attempted to exert more control over Americans after 1763 and why the Americans resisted these efforts.

Unit	Topic	Lesson	Lesson Objectives
------	-------	--------	-------------------

Philosophy of the American Revolution

Assess the advantages and disadvantages the British and the American rebels faced as the two sides prepared for war.

Explain the principles of 'republicanism,' including the reasons and principles used in the Declaration of Independence to justify America's separation.

Explain why Britain attempted to exert more control over Americans after 1763 and why the Americans resisted these efforts.

Assignments

Assess the advantages and disadvantages the British and the American rebels faced as the two sides prepared for war.

Explain the principles of 'republicanism,' including the reasons and principles used in the Declaration of Independence to justify America's separation.

Explain why Britain attempted to exert more control over Americans after 1763 and why the Americans resisted these efforts.

Chapter 5: The American Revolution 1775-1783

Introduction

The Declaration of Independence

Analyze the impact of the war on American society.

Analyze the successes and failures of the Articles of Confederation.

Describe the terms of the Treaty of Paris and explain how America was able to achieve such an amazing diplomatic victory.

Explain the effects of the war on American politics at the state and national levels.

The Revolutionary War

Analyze the impact of the war on American society.

Analyze the successes and failures of the Articles of Confederation.

Describe the terms of the Treaty of Paris and explain how America was able to achieve such an amazing diplomatic victory.

Explain the effects of the war on American politics at the state and national levels.

The Articles of Confederation

Analyze the impact of the war on American society.

Analyze the successes and failures of the Articles of Confederation.

Explain the effects of the war on American politics at the state and national levels.

The Confederation Faces Challenges

Analyze the impact of the war on American society.

Analyze the successes and failures of the Articles of Confederation.

Explain the effects of the war on American politics at the state and national levels.

Unit	Topic	Lesson	Lesson Objectives
------	-------	--------	-------------------

Assignments

Analyze the impact of the war on American society.

Analyze the successes and failures of the Articles of Confederation.

Describe the terms of the Treaty of Paris and explain how America was able to achieve such an amazing diplomatic victory.

Explain the effects of the war on American politics at the state and national levels.

Chapter 6: The Constitution and the New Republic 1787-1800

Introduction

The Philadelphia Convention

Analyze the basic ideas of the Founding Fathers and how they included their principles in the new Constitution

Describe Alexander Hamilton's plan to place the young nation in a solid economic position.

Describe the process of ratification of the Constitution.

Explain the events during Washington's and Adams' administrations that led to the formation of the first party system.

Explain the social, economic, and political differences between the anti-federalists and the federalists.

Federalist versus Anti-Federalists

Analyze the basic ideas of the Founding Fathers and how they included their principles in the new Constitution

Describe Alexander Hamilton's plan to place the young nation in a solid economic position.

Describe the process of ratification of the Constitution.

Explain the events during Washington's and Adams' administrations that led to the formation of the first party system.

Explain the social, economic, and political differences between the anti-federalists and the federalists.

Development of the Two-party System

Analyze the basic ideas of the Founding Fathers and how they included their principles in the new Constitution

Describe Alexander Hamilton's plan to place the young nation in a solid economic position.

Describe the process of ratification of the Constitution.

Explain the events during Washington's and Adams' administrations that led to the formation of the first party system.

Explain the social, economic, and political differences between the anti-federalists and the federalists.

John Adams

Analyze the basic ideas of the Founding Fathers and how they included their principles in the new Constitution

Describe the process of ratification of the Constitution.

Explain the events during Washington's and Adams' administrations that led to the formation of the first party system.

Explain the social, economic, and political differences between the anti-federalists and the federalists.

Unit	Topic	Lesson	Lesson Objectives
------	-------	--------	-------------------

Assignments

- Analyze the basic ideas of the Founding Fathers and how they included their principles in the new Constitution
- Describe Alexander Hamilton's plan to place the young nation in a solid economic position.
- Describe the process of ratification of the Constitution.
- Explain the events during Washington's and Adams' administrations that led to the formation of the first party system.
- Explain the social, economic, and political differences between the anti-federalists and the federalists.

Unit 3: America's Growing Pains**Chapter 7: Jeffersonian Republicanism 1800-1816****Introduction****Jefferson as President**

- Analyze the growing influence of the Supreme Court in American legal and political arenas.
- Analyze the successes and failures of the Americans in conducting and concluding the War of 1812.
- Describe Jefferson's foreign policy goals and the extent of his success in achieving them.
- Explain the several causes of the War of 1812.

War of 1812

- Analyze the successes and failures of the Americans in conducting and concluding the War of 1812.
- Explain the several causes of the War of 1812.

Assignments

- Analyze the growing influence of the Supreme Court in American legal and political arenas.
- Analyze the successes and failures of the Americans in conducting and concluding the War of 1812.
- Describe Jefferson's foreign policy goals and the extent of his success in achieving them.
- Explain the several causes of the War of 1812.

Chapter 8: Nationalism and Economic Expansion 1816-1826**Introduction****James Monroe**

- Analyze the impact of judicial, technological, transportation, and political changes that created a growth of American nationalism following the War of 1812
- Assess the impact of slavery on the social and economic life of the South.
- Describe the challenges faced by western settlers in the early nineteenth century.
- Describe the growth of American industrialism in the early nineteenth century.

Unit	Topic	Lesson	Lesson Objectives
------	-------	--------	-------------------

A Growing National Economy

- Analyze the impact of judicial, technological, transportation, and political changes that created a growth of American nationalism following the War of 1812
- Assess the impact of slavery on the social and economic life of the South.
- Describe the challenges faced by western settlers in the early nineteenth century.
- Describe the growth of American industrialism in the early nineteenth century.

The Transportation Revolution

- Assess the impact of slavery on the social and economic life of the South.
- Describe the challenges faced by western settlers in the early nineteenth century.
- Describe the growth of American industrialism in the early nineteenth century.

King Cotton

- Assess the impact of slavery on the social and economic life of the South.
- Describe the challenges faced by western settlers in the early nineteenth century.

Assignments

- Analyze the impact of judicial, technological, transportation, and political changes that created a growth of American nationalism following the War of 1812
- Assess the impact of slavery on the social and economic life of the South.
- Describe the challenges faced by western settlers in the early nineteenth century.
- Describe the growth of American industrialism in the early nineteenth century.

Chapter 9: Age of Jackson 1828-1848

Introduction

Democracy and the "Common Man"

- Analyze the tariff controversy and the reasons why it created such an outrage in the South.
- Assess the positive and negative results of Jacksonian democracy.
- Describe the factors that elevated Andrew Jackson to the presidency.

Nullification Crisis

- Analyze the tariff controversy and the reasons why it created such an outrage in the South.
- Assess the positive and negative results of Jacksonian democracy.
- Describe the factors that elevated Andrew Jackson to the presidency.
- Explain the "Bank War" and the political and economic outcomes of Jackson's victory.

Unit	Topic	Lesson	Lesson Objectives
------	-------	--------	-------------------

The Bank of the United States

- Analyze the tariff controversy and the reasons why it created such an outrage in the South.
- Assess the positive and negative results of Jacksonian democracy.
- Describe the factors that elevated Andrew Jackson to the presidency.
- Explain the "Bank War" and the political and economic outcomes of Jackson's victory.

Indian Removal

- Analyze the tariff controversy and the reasons why it created such an outrage in the South.
- Assess the positive and negative results of Jacksonian democracy.
- Describe the factors that elevated Andrew Jackson to the presidency.
- Explain the "Bank War" and the political and economic outcomes of Jackson's victory.

Assignments

- Analyze the tariff controversy and the reasons why it created such an outrage in the South.
- Assess the positive and negative results of Jacksonian democracy.
- Describe the factors that elevated Andrew Jackson to the presidency.
- Explain the "Bank War" and the political and economic outcomes of Jackson's victory.

Chapter 10: American Culture and Reform 1800-1860

Introduction

Transcendentalism, Religion, and Utopian Movements

- Analyze the gradual growth of the abolitionist movement.
- Describe the changes in American religion and their effects on culture and social reform.
- Discuss the beginnings of the early feminist movement.
- Explain the changes in American literature in relation to transcendentalism and other ideas of the time.

Reform Crusades

- Analyze the gradual growth of the abolitionist movement.
- Describe the changes in American religion and their effects on culture and social reform.
- Discuss the beginnings of the early feminist movement.
- Explain the changes in American literature in relation to transcendentalism and other ideas of the time.

Assignments

- Analyze the gradual growth of the abolitionist movement.
- Describe the changes in American religion and their effects on culture and social reform.
- Discuss the beginnings of the early feminist movement.
- Explain the changes in American literature in relation to transcendentalism and other ideas of the time.

Unit	Topic	Lesson	Lesson Objectives
------	-------	--------	-------------------

Unit 4: The Only Recourse: War**Chapter 11: Territorial Expansion and Sectional Issues 1820-1860****Introduction****Manifest Destiny**

Analyze the impact of the Mexican War, particularly in its effect on the question of slavery.

Describe the conflicts with Britain and the means of achieving peaceful resolution in each case.

Describe the series of crises in the 1850s that led the nation to the Civil War.

Discuss why the movement to annex Texas created a national controversy.

Explain how the concept of "Manifest Destiny" inspired Americans to expand in the 1840s.

Decade of Crisis

Analyze the impact of the Mexican War, particularly in its effect on the question of slavery.

Describe the conflicts with Britain and the means of achieving peaceful resolution in each case.

Describe the series of crises in the 1850s that led the nation to the Civil War.

Discuss why the movement to annex Texas created a national controversy.

The Approaching War

Analyze the impact of the Mexican War, particularly in its effect on the question of slavery.

Describe the series of crises in the 1850s that led the nation to the Civil War.

Discuss why the movement to annex Texas created a national controversy.

Assignments

Analyze the impact of the Mexican War, particularly in its effect on the question of slavery.

Describe the conflicts with Britain and the means of achieving peaceful resolution in each case.

Describe the series of crises in the 1850s that led the nation to the Civil War.

Discuss why the movement to annex Texas created a national controversy.

Explain how the concept of "Manifest Destiny" inspired Americans to expand in the 1840s.

Chapter 12: The Civil War 1860-1865**Introduction****Secession**

Analyze the economic and social consequences of the war for both sides.

Describe the change in the status of slavery in the border states and the South as the war progressed.

Describe the end of the war and its final consequences.

Explain the South's decision to secede from the Union.

Unit	Topic	Lesson	Lesson Objectives
------	-------	--------	-------------------

The Civil War

- Analyze the economic and social consequences of the war for both sides.
- Describe the change in the status of slavery in the border states and the South as the war progressed.
- Describe the end of the war and its final consequences.
- Explain the South's decision to secede from the Union.

The Abolition of Slavery

- Analyze the economic and social consequences of the war for both sides.
- Describe the change in the status of slavery in the border states and the South as the war progressed.
- Describe the end of the war and its final consequences.
- Explain the South's decision to secede from the Union.

Ramifications of the Civil War

- Analyze the economic and social consequences of the war for both sides.
- Describe the change in the status of slavery in the border states and the South as the war progressed.
- Describe the end of the war and its final consequences.
- Explain the South's decision to secede from the Union.

Assignments

- Analyze the economic and social consequences of the war for both sides.
- Describe the change in the status of slavery in the border states and the South as the war progressed.
- Describe the end of the war and its final consequences.
- Explain the South's decision to secede from the Union.

Unit 5: Picking up the Pieces**Chapter 13: Reconstruction 1865-1877****Introduction****Presidential and Congressional Reconstruction Plans**

- Assess the successes and failures of Reconstruction.
- Define the major problems facing the nation and the South at the war's conclusion.
- Discuss white southern opposition to congressional Reconstruction.
- Explain the conflicts between the president and congress in directing Reconstruction.

The End of Reconstruction

- Assess the successes and failures of Reconstruction.
- Define the major problems facing the nation and the South at the war's conclusion.
- Discuss white southern opposition to congressional Reconstruction.
- Explain the conflicts between the president and congress in directing Reconstruction.

Unit	Topic	Lesson	Lesson Objectives
------	-------	--------	-------------------

Assignments

- Assess the successes and failures of Reconstruction.
- Define the major problems facing the nation and the South at the war's conclusion.
- Discuss white southern opposition to congressional Reconstruction.
- Explain the conflicts between the president and congress in directing Reconstruction.

Mid Year Exam**Unit 6: New Frontiers****Chapter 14: Changing Landscape****Introduction****The New South**

- Explain the social, political, and economic changes in the South following the Civil War and Reconstruction.

Focus on the West

- Describe the challenges faced by those settling the West.
- Explain the impact of the railroad industry on the settlement of the West.

Confrontations with Native Americans

- Discuss the causes and results of warfare between whites and Native Americans in the West.
- Explain the impact of the railroad industry on the settlement of the West.

Cattle, Frontiers, and Farmers

- Analyze the rapid growth and decline of the cattle and mining frontiers.
- Describe the challenges faced by those settling the West.
- Discuss the causes and results of warfare between whites and Native Americans in the West.

End of the Frontier

- Analyze the rapid growth and decline of the cattle and mining frontiers.
- Describe the challenges faced by those settling the West.
- Discuss the causes and results of warfare between whites and Native Americans in the West.

Assignments

- Analyze the rapid growth and decline of the cattle and mining frontiers.
- Describe the challenges faced by those settling the West.
- Discuss the causes and results of warfare between whites and Native Americans in the West.
- Explain the impact of the railroad industry on the settlement of the West.
- Explain the social, political, and economic changes in the South following the Civil War and Reconstruction.

Unit	Topic	Lesson	Lesson Objectives
------	-------	--------	-------------------

Chapter 15: Gilded Age

Introduction

Gilded Age Scandal and Corruption

Analyze the social changes brought by industrialization, especially its impact on the American worker.

Describe the political corruption at the local, state, and nation levels and the attempts to clean up Gilded Age politics.

Discuss how the American economy came to be dominated by giant trusts such as those headed by John Rockefeller and Andrew Carnegie.

Explain the successes and failures of the labor movement in the latter nineteenth century.

Consumer Culture

Analyze the social changes brought by industrialization, especially its impact on the American worker.

Describe the political corruption at the local, state, and nation levels and the attempts to clean up Gilded Age politics.

Discuss how the American economy came to be dominated by giant trusts such as those headed by John Rockefeller and Andrew Carnegie.

Explain the successes and failures of the labor movement in the latter nineteenth century.

Rise of Unions

Analyze the social changes brought by industrialization, especially its impact on the American worker.

Describe the political corruption at the local, state, and nation levels and the attempts to clean up Gilded Age politics.

Discuss how the American economy came to be dominated by giant trusts such as those headed by John Rockefeller and Andrew Carnegie.

Explain the successes and failures of the labor movement in the latter nineteenth century.

Assignments

Analyze the social changes brought by industrialization, especially its impact on the American worker.

Describe the political corruption at the local, state, and nation levels and the attempts to clean up Gilded Age politics.

Discuss how the American economy came to be dominated by giant trusts such as those headed by John Rockefeller and Andrew Carnegie.

Explain the successes and failures of the labor movement in the latter nineteenth century.

Chapter 16: Urban Nation

Introduction

Growth of Cities

Describe the new industrial city and its impact on American society.

Discuss the "New Immigration" and opposition from many native-born Americans.

Life in the City

Assess the attempts of social reformers to address the problems of the new urbanization.

Describe the positive and negative aspects of life in large American cities.

Unit	Topic	Lesson	Lesson Objectives
------	-------	--------	-------------------

Assignments

- Assess the attempts of social reformers to address the problems of the new urbanization.
- Describe the new industrial city and its impact on American society.
- Describe the positive and negative aspects of life in large American cities.
- Discuss the "New Immigration" and opposition from many native-born Americans.

Unit 7: Isolationist to World Power

Chapter 17: Reform

Introduction

Agrarian Revolt

- Analyze the impact of the progressive movement at the local, state, and national levels.
- Assess the role of the progressive president's in promoting reform.
- Discuss the origins and goals of the progressive movement.
- Explain the factors that led to the rise of the Populists, as well as their decline after 1896.

The Progressive Presidents

- Analyze the impact of the progressive movement at the local, state, and national levels.
- Assess the role of the progressive president's in promoting reform.
- Discuss the origins and goals of the progressive movement.
- Explain the factors that led to the rise of the Populists, as well as their decline after 1896.

Progressive Impulse

- Analyze the impact of the progressive movement at the local, state, and national levels.
- Assess the role of the progressive president's in promoting reform.
- Discuss the origins and goals of the progressive movement.
- Explain the factors that led to the rise of the Populists, as well as their decline after 1896.

Assignments

- Analyze the impact of the progressive movement at the local, state, and national levels.
- Assess the role of the progressive president's in promoting reform.
- Discuss the origins and goals of the progressive movement.
- Explain the factors that led to the rise of the Populists, as well as their decline after 1896.

Unit	Topic	Lesson	Lesson Objectives
------	-------	--------	-------------------

Chapter 18: Imperialism

Introduction

McKinley and Roosevelt

Analyze the consequences and significance of the Spanish-American War.

Discuss the impact of Presidents Roosevelt, Taft, and Wilson in leading America into a position of a regional and world power.

Explain why America abandoned isolationism and began looking outward at the end of the nineteenth century.

Taft and Wilson

Analyze the consequences and significance of the Spanish-American War.

Analyze the successes and failures of the Articles of Confederation.

Discuss the impact of Presidents Roosevelt, Taft, and Wilson in leading America into a position of a regional and world power.

Explain why America abandoned isolationism and began looking outward at the end of the nineteenth century.

Assignments

Analyze the consequences and significance of the Spanish-American War.

Analyze the successes and failures of the Articles of Confederation.

Discuss the impact of Presidents Roosevelt, Taft, and Wilson in leading America into a position of a regional and world power.

Explain why America abandoned isolationism and began looking outward at the end of the nineteenth century.

Unit 8: The US at War

Chapter 19: World War I and the Roaring Twenties

Introduction

US Entry into WWI

Analyze the causes of America's entry into World War I.

Describe the multiple social conflicts that divided America during the "Roaring Twenties."

Discuss the impact of World War I on the home front.

Explain how the era's cultural changes affected women and African-Americans.

Peace Conferences

Analyze the causes of America's entry into World War I.

Describe the multiple social conflicts that divided America during the "Roaring Twenties."

Discuss the impact of World War I on the home front.

Explain how the era's cultural changes affected women and African-Americans.

Social Tensions

Analyze the causes of America's entry into World War I.

Describe the multiple social conflicts that divided America during the "Roaring Twenties."

Discuss the impact of World War I on the home front.

Explain how the era's cultural changes affected women and African-Americans.

Unit	Topic	Lesson	Lesson Objectives
------	-------	--------	-------------------

Assignments

- Analyze the causes of America's entry into World War I.
- Describe the multiple social conflicts that divided America during the "Roaring Twenties."
- Discuss the impact of World War I on the home front.
- Explain how the era's cultural changes affected women and African-Americans.

Chapter 20: Great Depression

Introduction

Causes and Consequences

- Analyze the causes of the Great Depression.
- Describe Franklin Roosevelt's First and Second New Deals as attempts to solve the problems of the Great Depression.
- Describe the causes and effects of Roosevelt's battle with the Supreme Court.
- Discuss the criticisms of the New Deal by both liberal and conservative critics.

The New Deal

- Describe Franklin Roosevelt's First and Second New Deals as attempts to solve the problems of the Great Depression.
- Describe the causes and effects of Roosevelt's battle with the Supreme Court.
- Discuss the criticisms of the New Deal by both liberal and conservative critics.

Assignments

- Analyze the causes of the Great Depression.
- Describe Franklin Roosevelt's First and Second New Deals as attempts to solve the problems of the Great Depression.
- Describe the causes and effects of Roosevelt's battle with the Supreme Court.
- Discuss the criticisms of the New Deal by both liberal and conservative critics.

Chapter 21: World War II

Introduction

Failures of Diplomacy

- Describe America's mobilization for war.
- Discuss America's attempts to remain neutral and the events that ultimately pulled us into World War II.

Second World War

- Analyze the war's effects on American society, including regional migration, race relations, and women's roles.
- Describe the military efforts that brought an Allied victory, including the use of the atomic bomb.
- Describe the proposals and problems of the wartime conferences.

The Home Front

- Analyze the war's effects on American society, including regional migration, race relations, and women's roles.

Unit	Topic	Lesson	Lesson Objectives
------	-------	--------	-------------------

Wartime Diplomacy

Describe the military efforts that brought an Allied victory, including the use of the atomic bomb.

Describe the proposals and problems of the wartime conferences.

Discuss America's attempts to remain neutral and the events that ultimately pulled us into World War II.

Assignments

Analyze the war's effects on American society, including regional migration, race relations, and women's roles.

Describe America's mobilization for war.

Describe the military efforts that brought an Allied victory, including the use of the atomic bomb.

Describe the proposals and problems of the wartime conferences.

Discuss America's attempts to remain neutral and the events that ultimately pulled us into World War II.

Unit 9: The Cold War**Chapter 22: Harry S. Truman and Dwight D. Eisenhower****Introduction****End of War**

Analyze the causes of the Cold War.

Analyze the postwar domestic climate in America, which led to the fear of internal communist subversion.

Describe the economic transformation of the immediate post-World War II era.

Describe the expansion of the Cold War to Asia and the Korean War.

Discuss America's plan to contain communism through the Truman Doctrine, the Marshall Plan, and NATO.

Containment

Analyze the causes of the Cold War.

Analyze the postwar domestic climate in America, which led to the fear of internal communist subversion.

Describe the economic transformation of the immediate post-World War II era.

Describe the expansion of the Cold War to Asia and the Korean War.

Discuss America's plan to contain communism through the Truman Doctrine, the Marshall Plan, and NATO.

Conflict in Asia

Analyze the causes of the Cold War.

Analyze the postwar domestic climate in America, which led to the fear of internal communist subversion.

Describe the economic transformation of the immediate post-World War II era.

Describe the expansion of the Cold War to Asia and the Korean War.

Discuss America's plan to contain communism through the Truman Doctrine, the Marshall Plan, and NATO.

Unit	Topic	Lesson	Lesson Objectives
------	-------	--------	-------------------

Red Scare Again

Analyze the causes of the Cold War.

Analyze the postwar domestic climate in America, which led to the fear of internal communist subversion.

Describe the economic transformation of the immediate post-World War II era.

Describe the expansion of the Cold War to Asia and the Korean War.

Discuss America's plan to contain communism through the Truman Doctrine, the Marshall Plan, and NATO.

Assignments

Analyze the causes of the Cold War.

Analyze the postwar domestic climate in America, which led to the fear of internal communist subversion.

Describe the economic transformation of the immediate post-World War II era.

Describe the expansion of the Cold War to Asia and the Korean War.

Discuss America's plan to contain communism through the Truman Doctrine, the Marshall Plan, and NATO.

Chapter 23: Eisenhower**Introduction****Internal Improvements**

Describe the approach that Eisenhower and Dulles took to the Cold War and nuclear policy.

Explain how Ike's leadership coincided with the mood of the 1950s.

Foreign Policy

Describe Eisenhower's attempts to further vitalize the American economy.

Describe the approach that Eisenhower and Dulles took to the Cold War and nuclear policy.

Explain how Ike's leadership coincided with the mood of the 1950s.

List the basic elements of Eisenhower's foreign policy in Vietnam, Europe, and the Middle East.

Assignments

Describe Eisenhower's attempts to further vitalize the American economy.

Describe the approach that Eisenhower and Dulles took to the Cold War and nuclear policy.

Explain how Ike's leadership coincided with the mood of the 1950s.

List the basic elements of Eisenhower's foreign policy in Vietnam, Europe, and the Middle East.

Unit	Topic	Lesson	Lesson Objectives
------	-------	--------	-------------------

Unit 10: Turbulent Decades

Chapter 24: Civil Rights Movement

Introduction

Challenging Jim Crow

- Analyze the role of the Supreme Court in promoting the Civil Rights Movement.
- Analyze the successes and failures of the Civil Rights movement.
- Describe Eisenhower's initially hesitant reaction to the early Civil Rights movement.
- Discuss the impact of Martin Luther King within the Civil Rights movement.

Consequences of the Civil Rights Movement

- Analyze the role of the Supreme Court in promoting the Civil Rights Movement.
- Analyze the successes and failures of the Civil Rights movement.
- Describe Eisenhower's initially hesitant reaction to the early Civil Rights movement.
- Discuss the impact of Martin Luther King within the Civil Rights movement.

Assignments

- Analyze the role of the Supreme Court in promoting the Civil Rights Movement.
- Analyze the successes and failures of the Civil Rights movement.
- Describe Eisenhower's initially hesitant reaction to the early Civil Rights movement.
- Discuss the impact of Martin Luther King within the Civil Rights movement.

Chapter 25: Rock and Roll is Here to Stay

Introduction

Baby Boom

- Describe the postwar migrations to the "Sunbelt" and the suburbs.
- Discuss the changes in American "mass culture" in the 1950s, including the rise of television.
- Explain the changes brought to American society by the 'baby boom.'

Material Culture

- Analyze the impact of rock and roll on American society, particularly with respect to the development of a teen culture.
- Discuss the changes in American "mass culture" in the 1950s, including the rise of television.

Assignments

- Analyze the impact of rock and roll on American society, particularly with respect to the development of a teen culture.
- Describe the postwar migrations to the "Sunbelt" and the suburbs.
- Discuss the changes in American "mass culture" in the 1950s, including the rise of television.
- Explain the changes brought to American society by the 'baby boom.'

Unit	Topic	Lesson	Lesson Objectives
------	-------	--------	-------------------

Unit 11: Toward a New Century**Chapter 26: Imperial Presidency****Introduction****John F. Kennedy**

Assess the domestic and foreign policy failures of the Kennedy administration.

Lyndon B. Johnson

Discuss Lyndon Johnson's war on poverty and the war in Vietnam.

Richard Nixon and Foreign Policy

Analyze Richard Nixon's rise to power and his resignation due to Watergate.

Richard Nixon and Domestic Policy

Analyze Richard Nixon's rise to power and his resignation due to Watergate.

Gerald Ford, Jimmy Carter, and Ronald Reagan

Assess the impact on foreign and domestic policy on the rise of Ronald Reagan and the 'new right.'

Describe the successes and failures of the Carter administration.

Moving into A New Millennium
